The following changes may be suggested in the proposed pass.—

Returned with compliments:

I think that the draft pass sent by the Residency is all right.

It does not seem necessary to note either the number of the car in which or the nature of duty on which an officer is proceeding. A statement issued by the Military Head Quarters that an officer is going on duty may be considered sufficient to regard the journey as on duty.

It may happen that an officer may travel in his own car or in a friends car or even in a car obtained for the purpose and it would be difficult for him to give to the District Headquarters the number of the vehicle in which he travels much ahead of the journey. The existence of a pass with any car may be sufficient authority to let the car pass.

In view of the generally small number of such journeys, the requirement suggested in para iii also seems unnecessary. Instead, the Military Head Quarters may send an advice to the Inspector General of Police whenever such a pass is issued.

necessary. If the registered number is not shown on the pass, what is there to prevent the unauthorised use of the pass for other vehicles? It seems very necessary to have the particulars shown

2nd The name of the Duke need not be specified as entered by P

With regard to Question (iii), the Ely P pass military authority may need advice to whether such pass is issued. The military are not likely to agree to this. Anyway, it will involve more correspondence on the part of the military as the proposal is more complex than the one submitted by me without some such amendment we have no information re the extent & value for assessing of the exemption granted to the Military.

TOLLS AND TAXES.

I have the honour to refer to the following Notifications, under the authority of which military personnel travelling on duty are - exempted from the payment of Mysore Tolls, Mysore Vehicle Taxation and Coorg Motor Vehicle Taxation:-

(a) Mysore Gazette No.46, dated 21st November, 1935.

(b) Mysore Gazette No.50, dated 19th December, 1935.

(c) Chief Commissioner of Coorg Notification No.140, dated 20th December, 1935.

2. At present military personnel travelling through Mysore State and Coorg, are issued with three separate passes conveying exemption from these charges.

As a matter of convenience for the authorities concerned, and for this Headquarters, it is felt that a single pass to include all these exemptions would be more satisfactory.

3. I attach, therefore, four copies of a specimen pass which it proposed should be brought into use at a date to suit the convenience of the authorities concerned.

I am to request that you would be so good as to ascertain whether this form of pass would be the most suitable, and to inform me from what date it may be brought into use.

4. Passes will bear the signature of either the Deputy Assistant Adjutant General, or Deputy Assistant Quarter Master General, of this Headquarters.
